

UMBROSA

INNOVATIVE SHADE CREATIONS

Umbrosa Product List 2010

09/2009

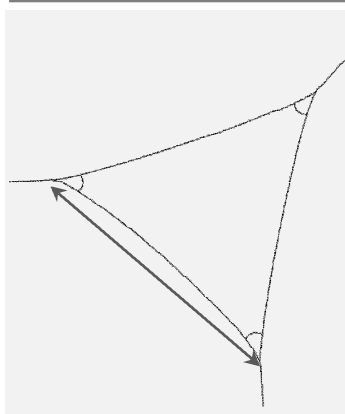

The Ingenua shade sails are to be used under normal weather circumstances and have a wind rating up to 70 km/h. During heavy rain or hail and stronger winds, the sails must be removed

- The dimensions stated are measured from sail ring to sail ring. Dimensions may vary slightly
- Every sail comes with the necessary ropes and tension wrappers.
- The Sails can also be ordered separately and used without the Ingenua Pole System
