samson 5500 III

Exclusively from Samson Outdoor Living

THE Samson 5500 is a fully cassetted folding arm awning on two brackets fitted at either end top of face fixed.

Our most popular awning, operated manually or motorised, is suitable for both domestic and commercial applications. It features a stainless steel chain link arm in four different sizes with or without adjustable ambient LED lighting to suit your application needs.

Supplied fully set up for a quick and easy installation the innovative design is equipped with an inclination system that uses a pass-through screw to adjust the pitch to your exact needs.
